You will need to position the VESA Mounts to an UP position. To do that insert the VESA plate and rotate it to an upright position as shown. When complete, remove the VESA plate and proceed to the next step.

4

5

CAUTION: Please make sure you attach same monitors on the table stand otherwise the table stand might be inverted. Also, while you are installing a monitor on the one side, another person should hold the other side of the mount to keep the table stand stable.
